

BEFORE THE MISSISSIPPI STATE BOARD OF MEDICAL LICENSURE

IN THE MATTER OF PHYSICIAN'S LICENSE

OF

SAMUEL MARK SHOR, M.D.

CONSENT ORDER

WHEREAS, Samuel Mark Shor, M.D., hereinafter referred to as "Licensee," is the current holder of License No. 27626, issued May 9, 2020, for the practice of medicine in the State of Mississippi;

WHEREAS, on October 23, 2024, the Virginia Board of Medicine, hereinafter referred to as the "Virginia Board," ordered the Reprimand of Licensee's Virginia Medical License and placed it on Probation for violations of Virginia Code § 54.1-2915(A)(3) (unprofessional conduct) based on intentional or negligent conduct in the practice of any branch of the healing arts that causes or is likely to cause injury to a patient or patients; which is grounds for disciplinary action. The misconduct included failing to adequately advise the patient, obtain informed consent, and engaging in a substandard course of treatment;

WHEREAS, pursuant to Subsection (9) of Section 73-25-29, Mississippi Code Annotated, the aforementioned actions by the Virginia Board constitute action against Licensee's ability to practice in another jurisdiction, grounds for which the Mississippi State Board of Medical Licensure; hereinafter, referred to as the "Board", may suspend his right to practice for a time deemed proper by the Board, place his license on probation, the terms of which may be set by the Board, or take any other action in relation to his license as the Board may deem proper under the circumstances;

WHEREAS, Licensee wishes to avoid a hearing before the Mississippi State Board of Medical Licensure and, in lieu thereof, has consented to certain conditions on his license to practice medicine in the State of Mississippi.

NOW, THEREFORE, the Mississippi State Board of Medical Licensure, with consent of Licensee as signified by his joinder herein, does hereby formally accept the following terms and conditions:

1. Licensee's Mississippi medical license is **REPRIMANDED**.
2. Licensee's Mississippi medical license is placed on **PROBATION** for 3 years.
3. Licensee will, within 30 days of the entry of this Consent Order, attest in writing to the Executive Director of the Mississippi State Board of Medical Licensure that all patients whom he treats for chronic Lyme disease and associated tick-borne illnesses are provided with information from the United States Centers for Disease Control and Prevention on chronic symptoms of Lyme disease and associated tick-borne illnesses.
4. Licensee will, within 30 days of the date of entry of this Consent Order, attest in writing to the Executive Director of the Mississippi State Board of Medical Licensure that he will obtain signed, informed consent from each of his patients before the initiation of pharmacologic treatment of chronic Lyme disease and associated tick-borne illnesses and then yearly thereafter. The signed, informed consent must include language that discusses alternatives, including the United States Centers for Disease Control and Prevention's position on the treatment of chronic Lyme disease and associated tick-borne illnesses.

5. In the Board's discretion, Licensee shall be reinstated without restriction at the completion of the probationary period, or the Board may schedule an informal conference to consider Licensee's status.
6. Licensee shall not seek relief from this Order until his Virginia Medical License is reinstated.
7. Licensee shall obey all federal, state, and local laws, and all rules and regulations governing the practice of medicine. Any further acts of misconduct will result in further action.
8. Licensee shall reimburse the Board for all costs incurred in relation to the pending matter pursuant to Miss. Code Ann. § 73-25-30, said amount not to exceed \$10,000. Licensee shall be advised of the total assessment by separate written notification and shall tender to the Board a certified check or money order made payable to the Mississippi State Board of Medical Licensure, on or before forty (40) days from the date the assessment is mailed to Licensee via U.S. Mail to Licensee's current mailing address.

Should the Board hereafter receive documented evidence of Licensee violating any of the terms and conditions of this Consent Order, the Board shall have the right, pursuant to a full evidentiary hearing, to revoke the medical license of Licensee, suspend it for a time deemed proper by the Board, or take any other action determined as necessary by the Board.

This Consent Order shall be subject to approval by the Board. If the Board fails to approve this Consent Order, in whole or in part, it shall have no force or effect on the parties. It is further understood and agreed that the purpose of this Consent Order is to

avoid a hearing before the Board. In this regard, Licensee authorizes the Board to review and examine any documentary evidence or material concerning the Licensee prior to or in conjunction with its consideration of this Consent Order. Licensee further acknowledges that he may be required to personally appear before the Board on the scheduled hearing date to answer any questions which the Board may have. Should this Consent Order not be accepted by the Board, it is agreed that presentation to and consideration of this Consent Order and other documents and matters pertaining thereto by the Board, including Licensee's answers to questions, shall not unfairly or illegally prejudice the Board or any of its members from participation in any further proceedings.

Licensee understands and expressly acknowledges that, should Licensee challenge or dispute any provision or statement in this agreement during the Board approval process, or if the Board does not accept the terms as set forth herein, this Consent Order will automatically be rendered null and void, and this matter shall be set for a full evidentiary hearing at the next regularly scheduled meeting of the Board.

Licensee understands and expressly acknowledges that this Consent Order, if approved and executed by the Mississippi State Board of Medical Licensure, shall constitute a public record of the State of Mississippi. Licensee further acknowledges that the Board shall provide a copy of this Order to, among others, the National Practitioners Data Bank (NPDB), the Mississippi Department of Health (MSDH), the Federation of State Medical Boards (FSMB), the Office of the Inspector General, United States Department of Health and Human Services (OIG-HHS), the U.S. Drug Enforcement Administration (DEA), the Mississippi Division of Medicaid, the Mississippi Board of Pharmacy, and the Mississippi State Medical Association (MSMA). Code Ann. § 73-25-27, to be represented therein by legal counsel of his choice, and to a final decision rendered upon written findings of fact and conclusions of law, **SAMUEL MARK SHOR, M.D.** nonetheless, hereby waives his right to notice and a formal adjudication of charges and authorizes the Board to enter an order accepting this Consent Order.

EXECUTED, this the 16th day of February, 2025.

Samuel Mark Shor, M.D.
